SUBJECT INDEX

Dare to tackle this subject where you work

One Canadian journalist who recently did is *Vancouver Sun* religion writer Douglas Todd. In mid-December Todd reviewed David Ray Griffin's book *The New Pearl Harbor: Disturbing Questions about the Bush Administration and 9/11*, the best analysis of the official 9/11 story to date.* Wrote Todd:

Griffin's unflinching analysis of the unanswered questions surrounding the Sept. 11, 2001, terrorist attacks on New York and Washington has made Amazon.com's bestseller list despite

receiving virtually no reviews in North America's mainstream media.

Two decent starting points for more research into the scandalous anomalies of 9/11 are www.911truth.org and www.globaloutlook.ca. To order a copy of former *Globe and Mail* reporter Barrie Zwicker's new carefully-researched 75-minute DVD *The Great Conspiracy: The 9/11 News Special You Never Saw*, call **416.651-5588**. See listing on page 296.
